

The prices for all the springs which are represented in our [metal springs catalogue](#) can be determined as follows: **1.** Ascertain the price category (A-ZZ) for the required springs in the last column of the catalogue. **2.** The retail prices per spring, can be found in the corresponding column of the quantity required. **3.** The prices listed are net prices, ex warehouse and do not include packaging. **4.** There is a substantial reduction in price for purchases of larger quantities, please ask about our special offers! **5.** Prices are subject to change without prior consultation. **6.** All prices are in EUR.

Please note!

The prices of the individual purchasing quantities are given in different price units, price per unit and per 100 units.
